SDP COMPETITION COMPANY

The SDP award winning competition company is for dancers who are passionate about dance and performance; and for those who want to commit to an intensive rehearsal and performance schedule. SDP competition dancers perform at national and regional competitions, and star in SDP annual showcases. They receive a well-rounded dance education, taught by industry professionals in ballet, tap, jazz, hip-hop, contemporary and acrobatics. The performance season begins early August and ends in May. Dancers rehearse between 2-10 hours per week.

This is an invitation only program. Please email us for audition details and pricing.
